

Sale of eggs produced by cage-free hens Cencosud Brasil

Cencosud Brazil seeks to provide memorable shopping experiences to its customers in line with society's demands and establishing a relationship of trust with employees, customers, communities, and suppliers based on respect and transparency.

These principles are also extended to the egg supply chain, which is why Cencosud Brasil is committed to promoting more sustainable egg production and animal welfare.

This commitment covers all of Cencosud's businesses in Brazil, which is committed to ensuring that:

By 2025:

- 100% of its own brand eggs will come from cage-free hens.

By 2028:

- 100% of the eggs sold in its stores will come from cage-free hens.

Cencosud will encourage its customers to have the habit of consuming eggs from cage-free hens and will respect changes in legislation and industry standards regarding the marketing of eggs from cage-free hens.

This document will be revised where necessary to meet new egg supply chain standards.
